LINESIG

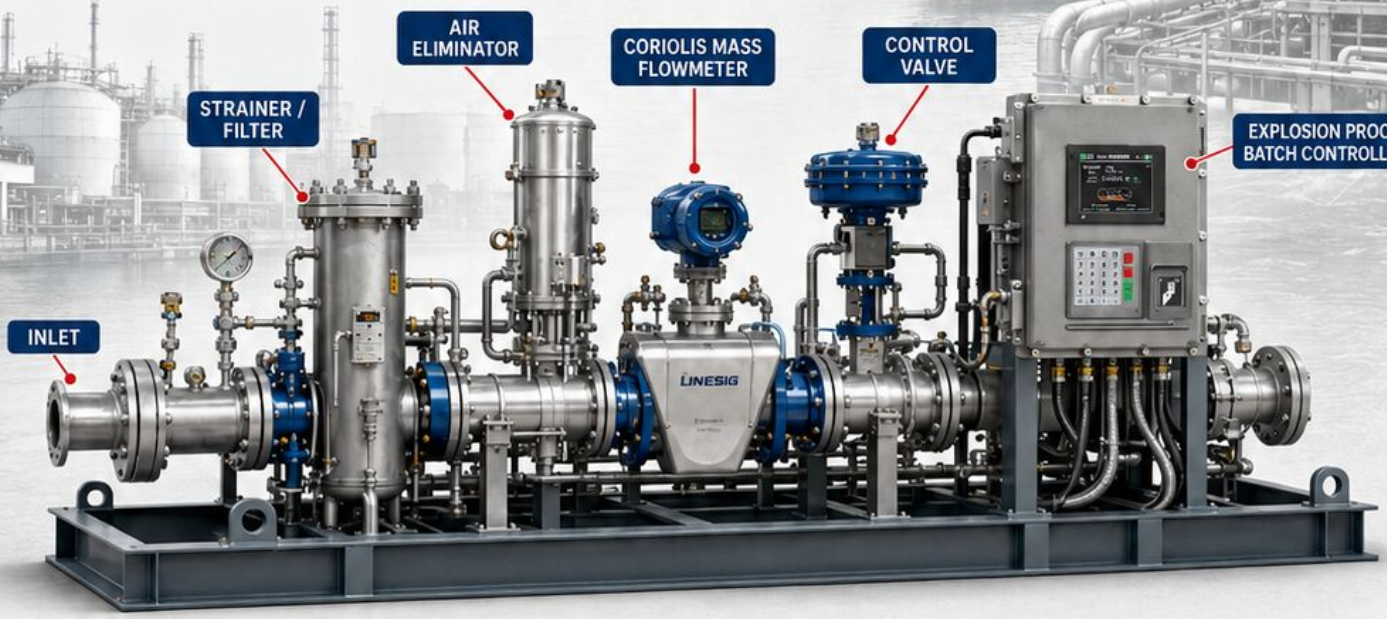

LNS-MS

LNS-MS SERIES

Tanker Loading Metering Skids

Liquid Hydrocarbon | Fuel Oil & Base Oil | LPG | LNG

Accurate Metering. Safe Loading. Reliable Control.

LIQUID HYDROCARBON

For refined & light hydrocarbon product loading

FUEL OIL & BASE OIL

For heavy fuel oil, base oil & lube oil loading

LPG

For LPG loading with vapor return & safety

LNG

For LNG loading with cryogenic design

PRODUCT FAMILY

- Liquid Hydrocarbon Loading Skids
- Fuel Oil & Base Oil Loading Skids
- LPG Loading Metering Skids
- LNG Loading Metering Skids

TYPICAL SCOPE

- Strainer / Filter
- Air Eliminator
- Coriolis Mass Flowmeter
- Pressure & Temperature Instrumentation
- FCV / Batch Control Valve
- Explosion Proof Batch Controller & TAS Interface
- ESD / Overfill / Grounding Interface
- Loading Arm Integration

APPLICATIONS

- Refineries
- Tank Farms
- Fuel Depots
- Lube Oil & Base Oil Terminals
- LPG / LNG Loading Stations
- Marine & Road Tanker Loading Systems

Custom-engineered metering skid solutions for tanker loading applications.
